This Starter Pack enables the user to test, clean and service all Multipoint Top Feed injectors, European, American, and Japanese. To test and service Side Feed or Single/Mono point injectors additional adapter blocks will be required, see main Parts and Accessory Catalogue listing for details. To Test and Service Gasoline Direct (GDI) Injectors you will need an additional extra, the ASNU GDI Adapter Box.

ASNU Corporation Europe Ltd, 65 - 67 Glencoe Road, Bushey, Herts. WD23 3DP. ENGLAND.
